

Session Formats

Topic 1- Introduction to Go D.E.E.P.

Discovering your gifts, personalities, experiences and passions
Encouraged to look at ways of understanding others
Empowered to pursue avenues of work/service w/in those blends
Provided areas to explore serving in ministries

Topic 2- Personality Types

Understanding our personality gives you insight into yourself and others and the work settings and styles with which you are most comfortable, as well as insights into your relationships.

Topic 3- Passions & Hobbies

Passions can be described as a strong devotion to a task, an excitement about something, or a willingness to stand up for a cause or belief.

Hobbies are defined as spare-time recreational pursuit.

Topic 4—Introduction to Spiritual Gifts and how they blend with your personality

To understand what spiritual gifts are and how they differ from life gifts. Unlike life gifts, spiritual gifts are given to further God's purposes.

Topic 5- Halftime

Learning how to move from a life of success to a life of significance.

Session 6- Experiences

This is the final session and it is the wrap up of all the sessions. It is here where you put together how God has used everything in your life to shape you for where you are right now and for the future. It is our hope that through group interaction you might be able to decipher areas of serving or working based on new concepts you have learned.
